

## Cookies

We may collect technical data about the type of Internet Browser and computer operating system that you use. This information does not identify you as an individual and is used only for tracking of site use. This is a technology called “cookies” which can be used to provide you with tailored information from a website. A cookie is an element of data, a file which is nothing but a line of text that a website can send to your browser, which may then store it on your system. This will help us to identify you when you return to the site and allow us to tailor content to your personal preferences. For more information about cookies, please see our [Cookies Policy](#).

You can set your browser to notify you when you receive a cookie, giving you the chance to decide whether or not to accept it. However, in a few cases some of our website features may not function as a result.
